

## Letter of Commitment

### Quality Policy

Presteve Foods Ltd. is committed to providing its customers with quality products and services that continually meet and exceed customer expectations.

### Food Safety Policy

We are also committed to ensuring the safety, legality and quality of our products by maintaining and improving precautionary measures, ensuring the manufacturing of safe freshwater fish products for the customer, and allotting the provision of adequate authority and resources for development and maintenance of our HACCP system.

Presteve Foods Ltd. undertakes to produce food in compliance with all regulatory requirements of CFIA, FDA, FSSC 22000 Standard, Marine Stewardship Council (MSC), as well as the respective requirements of the customers we sell to. Food safety is fully embedded in every level of our business and communicated throughout the organization, suppliers, customers and regulatory agencies. The management team at Presteve Foods Ltd. fully supports the developing, implementing and maintaining of an effective HACCP system. The management team is committed to allocating the time and resources required to ensure the success of the development, implementation and maintenance of our food safety management systems. The food safety policy is supported by measurable objectives to allow verification of conformance, identification of non-conformance and evaluation of corrective actions.

Sincerely,
